

ABOUT

I am an organised, efficient and quick learner who loves solving problems, and am keen to discover and accept new ideas which can be put into practice effectively. I am a love solving problems. Proficient in front-end development , I bring creativity and technical skills to deliver engaging user experiences. Eager to contribute my knowledge and adaptability to dynamic projects, I am actively seeking opportunities to grow in the ever-evolving field of software development.

EDUCATION

University of Engineering and Management

B.Tech Computer Science
2020-2024

Central Model School

Senior Secondary (XII), Science,CBSE
2019

Springdale High School

Secondary(X), WBBSE
2017

SKILLS

- React JS
- JavaScript
- Python
- Node JS
- API Testing & Integration
- SQL

CERTIFICATIONS

- Google Data Analytics Professional Certificate (Coursera)
- Python 3 Programming Specialization University of Michigan(Coursera)
- Exploratory Data Analysis for Machine Learning IBM(Coursera)
- HTML, JavaScript, CSS for Intermediate (Udemy)

PROFESSIONAL EXPERIENCE

Member of Technical Staff

Lean Platform Technologies | July 2024 - September 2024

- Collaborated with the QA team to identify and resolve frontend-related issues, ensuring a bug-free user experience.
